Jane Coleman

I am running to be re-elected to the Sierra Club Blue Oak Group Executive Committee because I believe in the mission of the Sierra Club and wish to keep this mission active locally. I have been a Sierra Club member for over 30 years and have been active in outings, tabling, and Executive Committee membership.

Jean Marquardt

I have been a forest activist since seeing hundreds and hundreds of clearcuttings in the Sierra Nevada Mountains on Google Earth. I am involved with Sierra Club Stop Clearcutting CA group and also with the Dioxin Education Committee to stop the biofuel plants in Butte County.

Betty Volker

I have been a member of the Blue Oak Group for 30+ years. I have served as an outing leader, as singles chair , and on the Executive Committee a few times. If elected, I will continue to work for the betterment of the Blue Oak Group and Sierra Club.

Suzette Welch

I got involved with the Blue Oak Group Sierra Club ExCom in order to have more influence and involvement with group activities. Board members encouraged me to become co-chair and then Chair of the ExCom. I have been on the ExCom for 16 years. I am currently Chair of Blue Oak Group ExCom, Coeditor of the Newsletter and administrator of the Blue Oak Group Facebook Page.

I am very interested in improving our natural environment by supporting planting of trees, especially oaks; protecting our air; conserving and protecting water here in the North State; promoting and supporting clean energy; and encouraging people to get out and enjoy and appreciate our beautiful outdoors.

I am asking for your vote again so that I can continue to be on the Sierra Club Blue Oak Group ExCom.
