Showstoppers.

Introducing the all-new GLE and GLC. More than just two highly advanced, head-turning vehicles, they are two ways in which Mercedes-Benz is redefining the SUV category. Featuring the seamless integration of technology and engineering, the GLC is specifically designed to complement a driver's ability. And with breakthrough safety technologies providing comprehensive vehicle protection, the GLE is perhaps the most intelligent SUV Mercedes-Benz has ever built. Visit MBUSA.com

2016 NEW ENGLAND INTERNATIONAL AUTO SHOW WELCOME

Welcome to the 59th edition of the New England International Auto Show!

Our annual Auto Show allows automakers to bring their best and most exciting exhibits straight to you, all in one place. It is New England's premier venue for manufacturers to show you their newest and best. This showcase brings you the coming year's most exciting new models of cars, vans, light trucks, and sport utility vehicles.

Every year reveals something new and unexpected. You will have the opportunity to view innovations in speed and luxury engineering, safety and fuel efficiency, and many other examples of forward-thinking design. You will see the results of design concepts, often many years on the drawing board, that are now new introductions bearing testimony to superb engineering ingenuity and artistry.

On behalf of the Massachusetts State Automobile Dealers Association, I urge you to take full advantage of this outstanding opportunity to see for yourself an incredible array of car designs representing the highest standards in performance, styling, safety, and technology.

This year's Show also has expanded numbers of electric vehicles and hybrids for you to check out. Consumers looking for viable EVs that can meet their usage and budget needs have a wonderful array of vehicles to explore, especially with the state's on-going MOR-EV rebate program for purchases made in 2016.

The New England International Auto Show is your show from the minute you pass through the gates. Take your time. Visit the many displays and ask questions. Representatives are on site to discuss the exciting details of your favorite vehicles. Take home the literature and study it. Take pictures of anything and everything on display. The information that you collect will be useful both now and in the future.

If you see the car of your dreams, be sure to visit your local dealer for a test drive. Our Association's members are committed to upholding the highest standards of honesty and integrity and to working continuously to improve the car buying experience for you.

After a challenging couple of years, we are starting to see steady growth in our industry. As we've focused on making the latest innovations available to our customers, we can't thank you enough for spending your hard-earned money in our showrooms.

Thanks for attending the New England International Auto Show. Enjoy your visit!

2016 NEW ENGLAND INTERNATIONAL AUTO SHOW SHOW HIGHLIGHTS

HOT MODELS:

See what's coming down the road! Vehicle highlights include: 2016 Alfa Romeo 4C Spider, BMW i8 and 330e, Chevrolet Volt, Dodge Challenger Hellcat, Lamborghini Huracán, Porsche GT3 RS and Cayenne S E-Hybrid, Mazda MX-5 and CX-3, Toyota Mirai FCV, 2017 Audi Q7 and R8, Rolls-Royce Dawn and more!

ACTIVITIES:

Test Drives

You don't have to wait until after the New England International Auto Show is over to test drive your favorite models. Get behind the wheel while you're here! Some of the biggest names on the Show floor will have many of their newest and most popular vehicles available for you to take out for a spin around the Convention Center. There's no pressure and no hassle. Don't limit yourself to just drooling over the cars – drive them! Test drive programs from the following car lines will be going on during daylight hours: Ford, Kia, Mazda, and Toyota. Please visit the registration counters in the show lobby for rules and regulations:

SHOWCASES:

Exotic Car Showcase

This showcase features the cars you dream about – some of the most expensive vehicles in the world! Come drool over exotics including Aston Martin, Bentley, Lamborghini, Rolls-Royce, Lotus, Porsche and Maserati and get up close and personal with these gorgeous feats of automotive engineering.

Indy Race Cars

Get a first look at the vehicles that will be racing in the Grand Prix of Boston on Labor Day weekend! Discover all the details and activities surrounding the race and how you can buy tickets!

Styling, Aftermarket & Accessories Showcase

We've got tons of aftermarket and accessories products to trick out your rides! There are custom wheels and rims, car audio & video systems/electronics detailing products and services. There are also garage cabinet systems and flooring and Handicap Access Mobility vehicles!

CONTEST:

Enter to win \$15,000 towards your next vehicle purchase at the Auto Show! Simply complete our survey and you will automatically be entered. Good luck!

EVENTS:

Your favorite radio personalities will be on air from the Entercom stage! See hosts from WEEI, WRKO and WAAF throughout the show!

Porsche recommends **Mobil 1** and **MICHELIN**

Not for the faint of anything.

Like every car we've made, the new 911 GT3 RS began with a vision. A vision to create not only a pure sports car, but a worthy heir to our racing legacy. With a performance enhanced 7-speed PDK transmission delivering significant reduction in shift times, and new, standard rear axle steering for greater stability at speed, the vision has been undeniably realized. Whether experienced on the track or the street, the exhilaration of its driver is the same. Felt in every instant response of the throttle. And every corner taken. Porsche. There is no substitute.

The new Porsche 911 GT3 RS. Limits Pushed.

Innovation
that excites

THE NEW NISSAN TITAN[®] XD.

HAULS MORE CLASS THAN IT SHOULD.

We dropped a Cummins[®] 5.0L V8 Turbo Diesel¹ into the 2016 TITAN XD. Boosted by a Holset[™] M² two-stage turbocharger, this beast makes over 310 hp and 555 lb-ft of torque, giving you smooth, efficient towing for more than six tons.² That's heavy-duty attitude in a full-size pickup—the first in a lineup of all-new trucks from Nissan.³

AMERICAN TITAN

DESIGNED IN CALIFORNIA ENGINEERED IN MICHIGAN
TESTED IN ARIZONA ASSEMBLED IN MISSISSIPPI
POWERED BY INDIANA AND TENNESSEE

★ TRUCK OF TEXAS ★

STOP BY THE NISSAN EXHIBIT AT THE AUTO SHOW OR TEST DRIVE AT YOUR LOCAL NISSAN STORE, TODAY.

¹Available engine. ²Estimated towing capacity on select trims based on Nissan internal testing. ³Pre-production model shown; see actual production vehicle for final details on features. See Nissan Towing Guide and Owner's Manual for proper use. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. Always wear your seat belt, and please don't drink and drive.

CHARLES D. BAKER
GOVERNOR

KARYN E. POLITO
LIEUTENANT GOVERNOR

January 2016

Dear Friends:

On behalf of the Commonwealth of Massachusetts, Karyn and I welcome you to the 2016 New England International Auto Show.

The New England International Auto Show is the largest auto show in the region and the premier showcase of the newest foreign and domestic vehicles. Whether you're in the market for a convertible or a family-size caravan, we encourage you to visit the booths of all of the 2016 automotive exhibitors.

In addition, there are over 25 different plug-in hybrid, electric, and fuel cell electric vehicle models available in New England, with more coming out each year that go further on electric miles. We encourage you to visit the MOR-EV booth to learn more about electric vehicle options and state and federal rebates to help you purchase or lease a clean, environmentally friendly car.

We thank the Boston Convention and Exhibition Center for hosting and hope that you take time to sit in the cars, pop the hoods, inspect the trunks, and kick the tires. Please accept our well wishes for an enjoyable show.

Sincerely,

A handwritten signature of Charles D. Baker in blue ink. The signature is written in a cursive, flowing style.

Innovation, now seating seven.

With this much advanced technology inside, it was only fair to make room for everyone. Introducing the all-new Audi Q7 with a truly impressive array of innovations. The available Audi virtual cockpit with Google Earth™ navigation gives drivers control over the road from their own personalized command center. Leading-edge technology, such as available Audi turn assist, helps drivers avoid potential collisions by monitoring the road around them. Superior design and intelligence have come together to form the next-generation Sport Technology Vehicle.

The all-new Audi Q7. A higher form of intelligence has arrived.

Visit NewEnglandAudiDealers.com for more details.
