ITEM #4 Planning Department Priorities

Dear Chairman Peschong and Supervisors,

The county should continue the process to completion the Inland Vacation Rental Ordinance. The draft language is complete and the projected completion is Spring 2019

The Adelaida area VRO has worked very well and it makes sense for the Planning Department to continue to process the countywide VRO on schedule. The coastal area has a VRO in place already. If feasible, we request that an earlier completion date be targeted.

Thank you for your consideration of our comments.

Sincerely,
