

**Name:** Rob Wittman

**State:** Virginia

**District:** 1<sup>st</sup>

**Political Party:** Republican

**Committee Assignment:** Armed Services and Natural Resources

Prevents the Interior Department from updating rules to protect streams from the destructive practice of mountaintop removal mining.	Fail
Blocks efforts to clean up the Chesapeake Bay.	Pass
Prevents the EPA from protecting Florida's waters from harmful algal blooms, dead zones, fish kills and declines in wildlife habitat.	Pass
Stops the EPA from protecting Appalachia's environment and the health of its residents from mountaintop removal mining.	Fail
Prevents the EPA from vetoing egregious projects that destroy streams and wetlands and threaten public drinking water supplies and wildlife.	Pass
Stops the strongest safeguards on coal ash disposal, ignoring best available science and leaving communities at risk.	Pass
Drastically cuts funds from critical environmental programs and endangers public health and the environment.	Fail
Allows for pesticides to be applied directly to our waterways, endangering public health and surrounding ecosystems.	Fail
Stops EPA actions to ensure safe drinking water for 117 million Americans and protect streams, wetlands and other U.S. waters.	Pass
Allows for restoration work to continue in places like the Chesapeake Bay, Long Island Sound and the Great Lakes.	Pass
Continues legal safeguards for waters that provide economic benefits and flood protection.	Fail
Guts the Clean Water Act by replacing federal protections with inconsistent, state-by-state enforcement.	Pass

*Note: "Pass" indicates a pro-environmental vote and "Fail" indicates an anti-environmental vote. "No Vote" indicates the member was absent for the vote, and these votes were not counted towards the report card score.*
