## BRINGING CLEAN ENERGY FOR ALL TO GEORGIA

Imagine yourself as part of a dynamic team making real progress on clean energy and stabilizing our climate. On Saturday, September 29th we kick off two key initiatives during our Clean Energy Summit:

A Pay As You Save (PAYS) energy efficiency program, plus a campaign to get more cities, campuses, and other large energy users (such as MARTA) to commit to 100% renewables while supporting the City of Atlanta's bold commitment to do the same.

On the morning of our Summit, we will learn about these programs, where they are working, how, and why. After lunch, we'll roll up our sleeves and create a plan to how make them work here in Georgia. We will leave the Summit with a committed group of activists ready to work their shared plan for success. Please join us!

**DATE:** Saturday, September 29

**TIME:** 9 AM - 5 PM (breakfast served at 8:15 AM, celebration after 5:00 PM)

**LOCATION:** Oakhurst Baptist Church 222 East Lake Drive (across the street from the East Lake MARTA Station - MARTA or biking encouraged)

**QUESTIONS:** Email Sam Collier, [Sam.Collier3@gmail.com](mailto:Sam.Collier3@gmail.com)

## SUPPORT ZERO-EMISSION BUSES

**Atlanta is poised to be the largest city in the south relying exclusively on clean energy by 2035.** Transitioning to zero-emission buses in our city is a key part of realizing this 100% Clean Energy plan. Encourage MARTA to commit to a zero-emission bus fleet by 2035!

Atlanta is closer than ever before to making a healthier, cleaner future our reality. Switching to zero-emission buses means a powerful opportunity to prevent pollution that is harmful to our health, reduce oil dependence, and create local jobs.

Your voice is necessary and important. Please take a moment to [sign your name](#) and ask MARTA to commit to a zero-emission bus fleet by 2035!
