VOLUNTEER APPRECIATIONS

A huge thank you to **Elizabeth Knowlton** for her expert advice on archiving our records! We were living with a ton of boxes here at the Chapter office and with Elizabeth's guidance and the hard work of clean energy fellows **Michelle Faggert and Talia Gerstle**, we were able to digitize records and open up more usable space in our office.

Additionally, special thanks to our summer communications interns **Morgan Daub** and **Gabrielle Phillips** for their hard work this summer. Morgan created an extensive and thorough *Georgia Sierran* archive, and Gabrielle helped us enhance our Chapter's digital presence. They will be greatly missed and are sincerely appreciated!
