## PLEDGE TO RISE FOR CLIMATE, JOBS, AND JUSTICE ON SEPTEMBER 8

September 8th will be a moving demonstration of the breadth and depth of the climate movement across the country.

Right here in Atlanta, the people will show our power by hitting the streets, holding community forums, and educating voters about the issues – all to ensure that elected and private sector leaders make action on climate a priority.

## TAKE THE MORE MARTA SURVEY

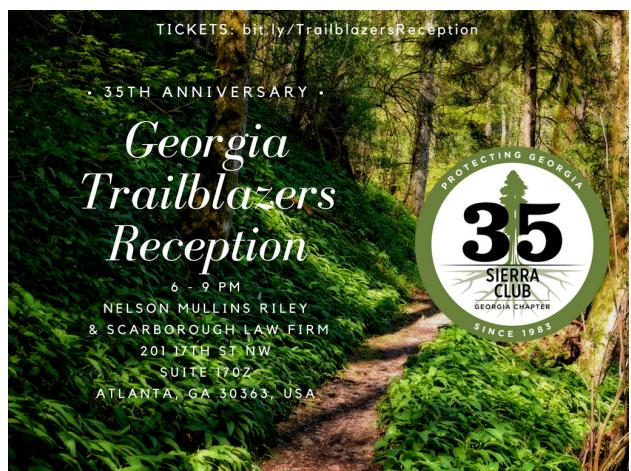

The More MARTA Atlanta program is the City's largest transit investment in history. It is designed to increase transportation options as Atlanta continues to grow. The More MARTA team has developed a current project list using input from Atlantans just like you — but they need more help!

Please take a quick survey to let MARTA know what you think of the proposed project list. It is very important for anyone who lives, works, or even commutes through the City of Atlanta to take this survey.

The deadline for feedback is August 31, so don't wait - take the survey now! Simply click the blue "Take Survey" button below to complete the survey.
