Minutes Approved: 10/11/18

Attendees

Terry Allen, George Behrens, Becky Denney, Doug Melville, Paul Ohlendorf, Jim Rhodes, Mike Bollinger, Glenn May

Minutes

There were no additions or corrections to the July minutes.

Old Business

Equity Gathering for Next Outings Committee Meeting

The next OC meeting will be held at the SC office on September 13 from 7-9. It will be a round table discussion on equity. Natalie Lucas from Chapter will lead the discussion. All outing leaders will be asked to attend.

Pint Night Results

This year the turnout was smaller than normal because it was a rainy night. Since the proceeds were lower than usual, the Alpine Shop kicked in a little extra and presented a check for \$750 to the EMG.

Weekend Outings Report

Doug has had only one response to his email asking leaders to consider leading one or two weekend outings. Doug asked OC members to send him ideas for weekend outings.

OLT-201 Training

Doug is still looking into OLT-201 training. He suggested the possibility of the OC developing video training. He also recommended the book "Outdoor Leadership" as a good resource. Doug will contact National to see if they are still offering OLT-201 training.

Ozark Trails Work Week

The trails work week is scheduled for Oct 6-14. Doug reported that there are currently three registrants.

New Outings for Nov and Dec 2018

Doug reported that outings for this period are due October 22nd. Currently only one outing has been submitted.

Meetup - EMG Site not being kept up-to-date

Last month it was reported that the second EMG Meetup site was not being kept up-to-date. This Meetup site is focused on EMG meetings and business. Since this site is not the responsibility of the OC, it was decided that Doug should bring this issue to the attention of the Excom at their next meeting.

New Business

What Outings Committee jobs need to be filled?

Doug proposed enlisting some outing leaders to help with various OC tasks. In particular, he would like to have someone enter outing data into the Campfire database. This would allow us to better track outings and participants.

Next Meeting Date: 09/13/18
