Old Business

1. OLT 101. This will be done on June 15 at the Sierra Club office starting at 8 am. There are three people signed up. The training will be based on the videos that were taken at the last outings leader training on January 20, 2016.
2. Red Cross First Aid Training - This will follow the OLT 101 and will be in two parts at the Alpine Shop. Doug has set up the CPR & AED training for June 18 with the Red Cross First Aid training to be done July 1, 2019.
3. Get Outside Festival - This has been rescheduled to September 21, 2019 and will be at St. Vincent Park. There is a table and canopy at the Sierra Club office or we can rent a canopy and two chairs for \$100. The contact person is Elizabeth Simmons at the Great River Greenway. At least two volunteers will be needed to be at the table.
4. New Sierra Club Outings Participant Agreement - Was still open for comment. Doug feels there are still some issues with the form. It does not have any spaces for the specific outing or the date of the outing. (JR note - this may be a general liability waiver.)
5. EMG Outing Leaders Training Status - Doug suggested that Jim Rhodes should have access to the LEADERS database but Gretchen doesn't feel that it is necessary.

New Business

1. Fall Trails Event - This will be at the Current River State Park from Oct 18 through 27. John Feldman will be managing the event. Glenn May said he would be there. Becky is still involved in the Trails Committee but will not be working this event. Doug has created a spreadsheet for all of the participants which says when they will be working, where they are staying, etc. All meals are included except for Wednesday when Louisa would like a day off from the cooking responsibilities. Rick Hyer will be there and he likes to cook pancakes.

2. There was a follow-up discussion on how to build up the EMG Outings program. This was a general discussion and no notes were taken.

Next Meeting Date: July 11, 2019 at the Alpine Shop, 7:00 PM to 8:30 PM
