

Group Carpool Instructions

Want to be a driver?

Step 1) Add your car: Click on the blue vehicle symbol and fill out the appropriate information. Please identify a specific meet up place in the "notes" section if needed.

Step 2) Wait for passengers to join: Passengers within your area or those who would like to drive with you will choose your car. After they join, you will be able to view their contact information. From there, you can contact them to make further arrangements.

Need a ride?

Step 1) Join a car: Click on "details" below each car symbol to view the information. After selecting a car, click "join" and fill out the appropriate information. If there is no appropriate car, you can click on "join waitlist" until there is one available.

Step 2) Contact driver: After joining a car, you and the driver can contact one another to make further arrangements.
