

Holly Recreation Area, South Unit

HOLLY RECREATION AREA HIKE. Moderate. 4 miles. Dixie Hwy. to Grange Hall Rd. East on Grange Hall Rd to McGinnis Rd. Right on McGinnis Rd. to park entrance.

- A narrow, winding, wooded trail around the lakes. Exclusively for hikers and especially beautiful during fall color change and in early winter. But ice on the trails can be treacherous, if you're not careful you will be in the lake.
