

**In Mexico, women factory workers must work
TWO HOURS in order to afford a single gallon of milk.¹**

MAQUILAPOLIS

[c i t y o f f a c t o r i e s]

a documentary film by Vicky Funari and Sergio De La Torre

¹ Vicky Funari and Sergio de la Torre, *Maquilapolis* (2006).

**Please join the Sierra Club for a viewing of
Maquilapolis: City of Factories, an inspiring story
of women factory workers fighting for decent
working conditions and a clean and healthy
environment. Explore the effects of trade on
border communities and take action to help stop
unfair trade!**
