Fast Track No! Right Track Yes!

Dear Representative _____,

I am deeply concerned because the North American Free Trade Agreement (NAFTA) gave international companies new powers to sue governments and undercut our hard-won safeguards for clean water and clean air.

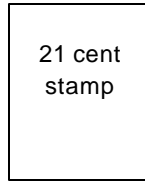

Rather than fix the problem, President Bush wants "fast track" authority to expand NAFTA to the rest of the Western Hemisphere. I urge you to vote against fast track. Instead, we need a "right track" trade policy to make trade clean, green, and fair.

Sincerely,
