Petition for King Street Bike Lane

As part of a larger set of safety improvements downtown, the SC Department of Transportation proposes the installation of a buffered bike lane with intermittent green paint along King Street, from Calhoun to Broad Streets. This would transform the corridor into a far safer environment by improving functionality and predictability for all travelers.

Upcoming Outings

Hike Former Plantations in the Francis Marion NF

Saturday, January 15

Trip Leader: Bill Turner

Difficulty Level: Easy

Day hike on the sites of two former rice plantations within the Francis Marion National Forest. Our 250,000 acre national forest is an area rich in natural as well as human history. On this outing we'll walk along 19th century rice dikes bordering the now reforested rice fields of Ion and Charleywood Plantations.
