Lee Williams, Olivia Jurcisin, Glen Besa, Sierra Club Falls of the James Group Newsletter Editor

We will take a break for the next 3 months, so the next newsletter will go out August 2. Stay tuned, however, for emails about the Big Yard Sale and other events/updates as needed.

Chronicling the end of an historic African American community in a way that I believe only a great film can. These and all the screenings at the movie poster of Mossville courtesy of Joe Brancoli.

These and all the screenings at "Mosville" are easy to say, but this film brings awareness of environmental racism vividly alive. Mossville is such. These and all the screenings at "Mosville" are easy to say, but this film brings awareness of environmental racism vividly alive. "Mosville" is such.
