

# Help Wanted

Sierra Club's Our Wild America Campaign is hiring a California Campaign Representative! This position will work statewide to advance our organization's mission to protect 30% of lands and waters by 2030 and create more equitable access to nature for all Californians.

This is a brand new position within the Sierra Club, and this person will play an instrumental leadership role in helping to shape and lead our growing statewide public lands campaign work. They will be responsible for helping lead deep collaborations between our national campaign, Sierra Club California, and our 13 statewide chapters for our [statewide 30x30 campaign](#) as well as with our many partners.
