Barbarian Utopia: *Encounters on the Appalachian Trail*

Thursday, June 1
7:00pm

College of Charleston
Robert Scott Small Building
Rm. 235 Auditorium
175 Calhoun St.

*****In-person only. No online streaming*****

In 2014, filmmaker Thaddeus Lamar embarked on a journey to hike all 2,185 miles of the Appalachian National Scenic Trail. Bringing several digital cameras, he captured an adventure that proved to be as intense and grueling as it was ultimately rewarding. Over 100 other hikers also shared their stories of adventure, hardship, and camaraderie. Out of this emerged *Barbarian Utopia: Encounters on the Appalachian Trail*, a 91-minute documentary about a great American resource, the history behind it, and the community that surrounds it. Welcome to the Barbarian Utopia.

SIERRA CLUB PRESENTS:

Charleston County Climate Action Planning Webinar

Thursday, June 22
7:00 PM

Join us for a one hour overview of Charleston County's forthcoming climate action planning process. Sustainability Solutions Group (SSG) and the County will introduce the community to the key elements of climate action planning, including scenario modeling and information on how the public can get involved.

Sullivan's Island Beachcomber Trek by Moonlight

Saturday, June 3

7:30pm

Trip Leader: Starr Hazard

We will meet at Fort Moultrie at 7:30 and plan to be at the beach before the sunset and hang out until the moon is well up. A full moon in June is often referred to as a strawberry moon, borrowing from the Algonquin Native American tribe's reference to their traditional strawberry harvesting season.

Walk at Hunting Island

Saturday, August 5

Trip Leader: Starr Hazard

This day trip will tour Hunting Island State

Park, including walking through the maritime forest and along the beach and visit the lighthouse. Getting there will involve a roughly 90 minute drive, so plan for a full day. We'll gather locally at 8:00 am to carpool or meet at the park at 10:00 am.
