

Your Political Committee in Action

On April 4, Santa Lucia Chapter Political Committee members and our chapter director met with recently elected U.S. Representative Jimmy Panetta (second from left) and members of his staff. Rep. Panetta's 19th Congressional District encompasses Cambria, Atascadero, and Paso Robles, stretching north along the coast to include Big Sur, the Ventana Wilderness, Monterey and Santa Cruz.

Topics of mutual interest included the proposed Chumash Heritage National Marine Sanctuary, offshore wind, the Central Coast Heritage Protection Act, implementation of the Inflation Reduction Act and the 2023 Farm Bill.
