As this event is a potluck, we kindly request each attendee to bring a dish to share with others. Please bring a dish that serves approximately 6 people. It can be homemade, store-bought, or sourced from a local farmers' market, with an emphasis on using sustainable and eco-friendly ingredients. You are welcome to bring beverages of your choice as well.

Additionally, we encourage you to bring reusable utensils, plates, and cups to minimize waste and support our eco-conscious ethos. Let's make this gathering a green and environmentally-friendly event!

Come prepared with comfortable clothing, sun protection, outdoor chairs, and your enthusiasm for environmental conservation. Feel free to invite friends and family who are interested in joining the Sierra Club and supporting our cause.
