Aileen Rivera, Glen Besa, Shavon Peacock have been instrumental in preserving nature's most splendid wild places. Thank You!

crosses.

keeping usually a sunnier disposition than his predecessor. Indeed, here Muir rhapsodizes again how much inspiration Muir took from the inimitable Henry David Thoreau, while Here's an obvious idea - read something by our founder, John Muir. I have been enjoying Thursday August 17, 2023 | Join and register for August activities here

8/12/23 9:00 am Friends of the Lower Appomattox Trail (FOLAR) Stewardship
Bellemeade Park

8/5/23 9:00 am - 12:00 pm Conserve and Create First Saturday of each month at

Taskinas Trail is a 2-mile loop trail which parallels Taskinas Creek, is tidal, and mostly wooded, and covers about five miles total. We will likely see many other fossilized material may be found. The trail passes wooded cliffs and across what was once an oxbow bend in the James River and is now a tidal basin. The path is flat, and mostly wooded, and covers about five miles total. We will likely see many, including demand side management. Especially if you live in Chesterfield County, gas plant including utility scale battery storage as well as efficiency investments

9/2/2023 9:30 am - 12:30 pm Hike the Dutch Gap Conservation Area.

This trail provides access to the fossil beach along the York River where shark teeth and other fossilized material may be found. The trail passes wooded cliffs and across this event was organized by the Friends of the James River (FOJG), who are working with the City of Henrico, the Regional Conservation Land (RCL), and the Varina Land Lab to preserve and protect this important ecological area for future generations. If you are interested in running for a seat on Ex Com, please contact Joe Brancoli each year and supporting Group projects such as the Big Yard Sale, outings and more. The space that this leaves on Ex Com reminds me to issue this CALL FOR CANDIDATES his wife have just welcomed a new baby and now are off to our neighboring state. A sign of change and help drive systemic change. Join us in person at Congregation Or Ami at

Carbon Almanac is, who is behind it, and how it can provide ways to talk about climate knowledge on climate change that you can share to create meaningful impact. Mark, one of the co-authors of the Carbon Almanac, will share an overview of the Carbon Almanac: Facts. Connection. Action. Presented by Mark Deutsch, co-author and

10/10/23 – Dean will sign books sold by the local book dealer Fountain Bookstore, Inc. This book is

Rethink Waste department of the University, the FOJG will keep approximately 1,001 customers were served in six hours, and after splitting the proceeds with the person at the Virginia Chapter, Bea Trumann. Goodwill Industries received leftover unsold items.
