

Sierra Club's Mission

- **Explore, enjoy, and protect** the wild places of the earth;
- **Practice and promote the responsible use** of the earth's ecosystems & resources;
- **Educate and enlist humanity** to protect and restore the quality of the natural and human environment and use all lawful means to carry out these objectives.

Our Core Values

- **Anti-Racism:** We commit to shifting power away from white supremacy, repairing harm, and ending structural racism.
- **Balance:** Our effectiveness comes from committing to caring for ourselves and others.
- **Collaboration:** We believe in just relationships that support collective work.
- **Justice:** We are accountable for our actions, our work, and how we show up with trust and respect.
- **Transformation:** We commit to changing our relationships to power, privilege, and oppression—for ourselves and for the organization.

Our Local Work in Idaho

We are working to build a movement of engaged residents to promote the conservation of Idaho's natural environment and climate.

Our volunteer-driven campaigns are helping move Idaho cities, utilities, and school districts toward 100% clean energy and advance regional efforts to remove the four lower Snake River dams to save Idaho's salmon and build a clean and equitable energy future in the Northwest.
