

APPLICATION for the **CIRCULAR ECONOMY SOLUTION COMPETITION**

As part of the Saturday, April 20, 2024, *Resilient Community Challenge* event, here is a chance to stretch your creative and practical problem-solving skills by participating in the **Circular Economy Solution Competition**. An all-day facilitated workshop for high school and college student teams.

See attached fliers for details on the *Resilient Community Challenge* and the Circular Economy Solution “hack-a-thon” Competition.

Prizes will consist of \$25 gift card for each winning team member, and \$200 cash gift to the winning team’s affiliated educational institution, department, or sponsoring organization.

Four teams (of mixed ages) with up to five members in each team will be accepted for the competition. To apply, complete this form and return to SEIowaSierraClub@gmail.com by **Friday, April 5, 2024**. Teams will be notified of their selection status by **Friday, April 12**.

YES! We want to participate, sign us up!

Team name: _____

Name

Title

Contact phone / email

Team Participants:

Name	age	phone	email

What inspires your team to participate?

Name and contact information for person completing this form (sponsoring faculty; person to be notified regarding team's acceptance):

Teams will collaborate for the full day of the event at the Deep Green Machine Maker's Space behind the Breadtopia Building (lunch will be included). They are encouraged to invite friends and family to participate in the entire *Resilient Community Challenge* event occurring simultaneously at the nearby Fairfield Arts and Convention Center, but especially to attend for the judging and showcasing of teams' competition work at the end of the day.

Applications must be received at SEIowaSierraClub@gmail.com by **Friday, April 5, 2024**. Acceptance Status notification will be by **Friday, April 12**.
