

Guadalupe Regional Group March 31, 2026 Executive Committee Minutes

Attendance

Lisa Barboza, Gary Latshaw, Gary Bailey, Charles Schafer

Call to order 7:00 PM

We decided to use Zoom for GRG membership meetings in the immediate future due to disappointing results from in-person meetings. At some point, as we grow our viewers and participants, we'll try for an in-person meeting. The point: A lot of effort goes into these WV Library meetings, but we're not meeting our objectives, which are:

- a) to educate the public,
- b) inspire folks to be active,
- c) add new members

Several ideas were proposed for upcoming GRG meetings:

- 1) Where does our Valley Water come from?
- 2) Climate change and California's water supply
- 3) Delta Tunnel Overview
- 4) Heritage Oaks situation - to get the public more engaged

Katja volunteered to contact Valley Water and see if they are interested in hosting a slide show in May

Lisa will be out of the country (Poland) from April 18 through April 30.

The SC Valley OSA, Parcel Tax, and Regional Transportation Revenue Measure tax endorsements were also discussed.

Meeting adjourned at 8:00 PM.

Respectfully submitted

Lisa Barboza
