

# 2026 Sierra Club Endorsements

This is our opportunity to elect officials who will shape our direction for at least the next decade. We work to endorse and elect champions for clean air, clean water, wildlife and wild places, and action to address climate change.

Primary election June 23; general election November 3.

The Sierra Club endorses candidates who we believe will be leaders in developing strong pro-environmental policies. We are continuing to consider endorsements and will be making more endorsements as we get closer to the election.
