2026 NH Sierra Club General Election Bulletin

ENDORSEMENT ANNOUNCEMENTS

VOTE FOR EVERYONE TO THRIVE

By Anne Fenn, NH Political Committee Chair

As a Member of the Sierra Club New Hampshire Chapter, please review this endorsement newsletter carefully and vote for the endorsed candidates on your ballot. These candidates are our best hope to improve the environmental policies and practices in the state. These candidates agree to address the climate crisis with smart policies for just and reasonable energy rates and increase clean energy projects. They recognize that the buck stops with them to end the sewage-caused cyanobacteria blooms in our precious lakes and ponds. They agree that the polluters are responsible for the costly clean up of the "forever chemicals" contaminating our water and risking our health. These are the candidates who recognize that data centers should not have more rights than you. No Way!

These candidates are the ones to vote for on November 3rd. The Chapter Political Committee analyzed public records, candidate questionnaires, and conducted interviews of the endorsed candidates while analyzing the opponents, districts, and the crystal ball. After long and objective discussions, these candidates have the full endorsement of the Chapter.

Remember, these Environmental Champions share our values and will work to protect New Hampshire for all to benefit. Your membership and engagement connect your values to your vote.

Thank you for voting for wildlife, forests, public health and all of us to thrive.

2026 General Election

Vote on Tuesday, November 3, 2026

"A year like no other" is cliche. An "unprecedented election" is too. For our nation and New Hampshire, the 2026 election will be critical for the future of the protection for our environment, investments in our communities, public health standards, impacts on wildlife and the planet. The Sierra Club New Hampshire Chapter asks you to inform your family, friends, neighbors, and co-workers about the candidates and the important issues that will affect all of us.

Energize election day with the values you share with the Sierra Club. Take the next step to volunteer and build the movement with us.
