

Sierra Club Memorial and Commemorative Gifts

Memorial Gifts

By giving a memorial gift in memory of a family member or friend, you not only affirm your environmental values, but also recognize that these values were shared by the individual being honored. If you choose, we will send a card in your name to friends or loved ones close to the individual being honored, informing them of the gift. The gift amount will be kept confidential.

Commemorative Gifts

Commemorative gifts offer a unique way to honor a special event, such as a wedding, anniversary or birthday, in the life of someone important to you. An attractive note is sent to the individuals being honored informing them of the gift and the identity of the donor. The gift amount will be kept confidential.

For both Memorial and Commemorative gifts, a letter is sent to you acknowledging the gift and confirming that notice of the gift has been sent.

These special gifts are most often unrestricted by the donor, providing support for the Club's major national conservation campaigns and applied where most urgently needed. In the past, we have been able to preserve national forests and help restore and protect wildlands all across the country with these generous gifts.

*Gifts to the Sierra Club are not tax-deductible; they support our effective citizen-based advocacy and lobbying programs.

**Your charitable, tax-deductible contributions to The Sierra Club Foundation support grants for charitable, public domain education, research, expert testimony and legal action necessary to further the Club's conservation goals. Gifts in the form of stocks, bonds, mutual funds and other properties that have increased in value may add additional tax savings when given to the Sierra Club.
