Dear Dr. Sheppard and Dr Kleinhaus,

The Sierra Club is pleased to announce that the City of Santa Cruz has now incorporated the Bird Safe Design (BSD) Standards as Condition of Approval for discretionary developments within Coastal Recreation (CR), Parks (PR), Natural Areas (NA) and Agriculture/Grazing (AG).

This successful outcome is the result of a 2.5 -year negotiation process in which you played a vital and important part. Your ongoing advice, information, support and generous webinar offer was greatly appreciated by the Sierra Club. Due to your help we were able to achieve BSD Standards for the City of Santa Cruz. THANK YOU!

With much appreciation,

Gillian
