

May 6, 2018

Dear Felipe Hernandez,

With this email, I wish to congratulate you on earning the **Sierra Club endorsement** for the Santa Cruz County Supervisor District 4 election.

I thought you would appreciate knowing that the Sierra Club endorsement process is extremely careful, and several steps are involved. The local Group submitted our recommendation to the Ventana Chapter, which then submitted it to the Statewide Sierra Club Political committee, where it was approved. We very much appreciate your environmental commitment and your hard work. We were particularly impressed with the quality of your answers on the questionnaire, and we look forward to working with you once you are elected.

Please feel free to use the Sierra Club name in your campaign materials. If you have further questions or requests for support, your primary Sierra Club contact will be Political Committee Chair Ron Pomerantz.

Again, congratulations.

Sincerely,

Rachel O'Malley
Vice Chair, Political Committee
Sierra Club Santa Cruz group
