Re: CPRA Request

Dear Mary Elizabeth:

The Port of Stockton received your May 4, 2020 request for records, specifically:

- Video record of the April 6, 2020 meeting
- Public comments received at the April 6, 2020 meeting
- The amended and restated lease agreement with Nustar Terminal Operations Partnership l.p. approved at the April 6, 2020 meeting
- Video record of the May 5, 2020 meeting

Records responsive to your request have been found. Those records will appear in the email that this letter accompanies. Those records include:

- NuStar amended and restated lease
- All of the comments for the April 6, 2020 Commission meeting which are included in the April 6, 2020 Minutes.

No responsive records were found for the video record requests with the understanding that your request was for video records of the Commission meetings conducted on April 6, 2020 and May 4, not May 5, 2020 by Zoom video conference. No Zoom video recordings have been made for those meetings.

Very truly yours,
