COUNTY, CITY, PORTS
Fall 2021 Endorsements Inside!

 www.sierraclub.org/washington/2021-endorsements

County, city, and port elections matter. It's why Sierra Club makes these key endorsements.

The public officials who run our counties, cities, and ports make many decisions with big environmental impacts:

- ... local decisions impact fossil fuels in our communities, buildings, transportation, businesses
- ... local officials are central to safeguarding clean water for drinking, salmon, orcas, watersheds
- ... local action is key to more housing within short distances to jobs, transit, parks, schools
- ... and many more local decisions that impact the people and places we love!

The endorsed candidates listed here are ones Sierra Club believes are the best choice – based on reviews of their voting records, what they've said publicly and in interviews with Sierra Club leaders, and their commitment to their campaigns and constituents.

VOTE FOR SIERRA CLUB ENDORSED CANDIDATES!
Mail your ballot early so it is postmarked by Nov. 2nd.
Or drop it in a ballot collection box by 8pm Nov. 2.
