

Individual Sponsor Benefits

Become a sponsor of our 2022 Guardians of Nature Benefit and partner with your Loma Prieta Chapter in protecting our regional environment. Our annual signature event gathers 200+ community leaders, elected officials, and other Sierra Club members and supporters to celebrate exceptional individuals who have dedicated their lives to protecting the environment.

In past years we have honored U.S. Congressman Pete McCloskey, Lennie Roberts, Tom Steyer and Kat Taylor, Santa Clara County Supervisor Joe Simitian, Enid Pearson, and Emily Renzel, and Byron Sher. Our past featured speakers have included Congresswoman Anna Eshoo, San Jose City Mayor Sam Liccardo, and California Attorney General Rob Bonta.

All sponsors will be featured on the event's webpage and included in the event's materials with special acknowledgment.
