Dallas Sierra Club General Meeting via Zoom - Tuesday, July 14

The July 14 General Meeting will be held **online via Zoom**, not at Brookhaven College.

Please join us as we welcome local farmer and entrepreneur, Jeff Bednar, creator of *Profound Microfarms*, as he discusses his local and innovative farm that utilizes both aquaponics and hydroponics (which are closed loop ecosystems with no runoff that use 93% less water than traditional farming). *Profound Microfarms* practices sustainable urban farming, beneficial pest management, and year round greenhouse growing to create vegetables and herbs that are coveted by local restaurants such as 560 Wolfgang Puck, Stephen Pyle's Flora Street Cafe, and Harvest Seasonal Kitchen. Information about *Profound Microfarms* is [here](#)

From 6:45 to 7:00 p.m. you can log in to the meeting, chat, and ask questions. The meeting will begin at 7:00 with announcements, followed by our speakers' two presentations.
