

TAKE THAT FIRST STEP

Attend an LTP Seminar, offered twice a year since 1973, sponsored by the Sierra Club Angeles Chapter's Leadership Training Committee.

LTC offers training for aspiring outings leader candidates and others wishing to improve their skills and acquire the best leadership practices from our experienced and certified leaders. These skills will help you in the outdoors as well as in your community.

The Leadership Training Program

Gain the knowledge, skills and good attitude that are essential to becoming a safe and informed leader of Sierra Club Angeles Chapter outings. We publish our *Leaders' Reference Book*, now in its 19th edition - downloadable online. In addition to the seminar and our handbook, we provide training in several technical categories: navigation, rock and snow skills. Our website is full of detailed information about the process. Visit www.sierraclub.org/angeles/leadership-outings and see our events and much more!

Leadership Ratings

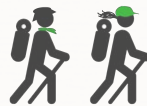

- O-1: Majority of trips - on trails or roads, no backpack
- O-2; Overnight, backpack on trail.
- I: Cross- country travel using navigation skills
- M/M-Rock/M-Snow: 3rd class rock and/or uncomplicated snow climbs
- E/E-Rock/E-Snow: 4th class rock and/or more difficult snow climbs

A provisional O-1 hike at Satwiwa

Basic Requirements for Becoming a Leader

- Attendance at a Seminar and completion of an open-book (the LRB) exam.
- Current Sierra Club membership (not required to attend a seminar).
- Participation on five Chapter trips our hikes at the level you want to achieve.
- Completion of Red-Cross equivalent First Aid and CPR. (WFA is required for I or above.)
- Satisfactory completion of a provisional outing. (More provisionals for I and above.)

The Angeles Chapter is known for the number and variety of its trips, hikes, walks, backpacks, snowshoeing, peak climbing and mountaineering outings. With 40 Chapter groups, committees and activity sections as sponsors, there are many ways for leaders to find their passion, whether it's local hikes or travel adventures in other parts of the globe. The entire outings program is devoted to furthering the mission of the Club: to explore, enjoy and protect the wild places of the earth.
