We send our sincere thanks for the successful unanimous motion to ask staff to investigate accelerating the current "carbon-neutral by 2045" to "carbon-neutral by 2030".

We are living in a climate emergency that requires us to abandon fossil fuels if we are to stay below 1.5 degrees Celsius (2.7 degrees Fahrenheit) of warming by 2030. Your leadership is a legacy to future generations, which the Loma Prieta Chapter appreciates and will publicize.

Sincerely,

James Eggers
