**Upcoming Events:**

**Lander - "Return of the Grizzly" film screening**

Save the Yellowstone Grizzly and Sierra Club are proud to present a new film, Return of the Grizzly,

next **Monday, December 11th at the Lander Library.** [RSVP here!](#)

The 37-minute documentary follows the path and challenges of the essential explorer bear, the innovative bear that comes from small, isolated core populations that generate them. Explorer bears have the personality traits that can lead to better relationships between humans and grizzlies.

Return of the Grizzly proves that, through coexistence and tolerance, humans and grizzlies can “learn” to live together as the Native Americans have done for thousands of years. The film is narrated by one of America’s most beloved actors and storytellers, Academy Award winner Jeff Bridges. It is scored by legendary pianist Bill Payne of Little Feat.

**When:** Monday, December 11th, 5 - 7 p.m.

**Where:** Lander Library (200 Amoretti Street, Lander, WY 82520)

## Laramie - Exploring the Inflation Reduction Act for Wyoming

Join the Sierra Club Wyoming Chapter for an evening dedicated to exploring the opportunities within the Inflation Reduction Act (IRA). For Wyoming, the IRA has the potential to transform our energy landscape and provide affordable clean energy to our communities, while simultaneously providing jobs and infrastructure in the process. We want to hear your ideas for Wyoming, and how we can work together to take advantage of these historic investments.

**When:** Wednesday, December 13th, 6-8 p.m.

**Where:** Albany County Public Library in Laramie (310 S 8th St, Laramie, WY 82070)
