Ready for 100% Campaign

Thursday, July 22 | 8:00pm
[Click this Zoom link to Join](#)

Join a special Zoom call to learn about this Sierra Club campaign to move the US toward renewable energy sources. The club's South Carolina organizer, Penny Delaney Cothran, will brief attendees about the campaign and how volunteers can help push for change.

[Learn more about the campaign](#)

- We believe equity, democracy, and local agency are essential in our transition from fossil fuels to 100% clean, renewable energy.
- We are a solutions campaign.
- Anyone can join us; everyone can contribute.
- We prioritize relationships.
- Only through working across difference will we find inclusive solutions.
- We prioritize leadership from the local community.
- We recognize and acknowledge historical inequality in the work of Sierra Club, and work toward equity.
- How we get there is as important as getting there.

Upcoming Outings!

Paddle on the Black River

Rescheduled to this Saturday

Saturday, July 17 | 9:00 am
Difficulty level: Easy

This will be an easy 5 mile paddle from the Pump House Landing near Andrews to the Pine Tree Landing.

Kayak from Cherry Creek to Deveaux Bank

Saturday, August 7 | 8:30am
Difficulty level: Moderate

We'll put in at Cherry Creek Landing in Rockville and proceed down Bohicket Creek with the ebbing tide to the Edisto River. From there we'll paddle past

Privateer Creek and Seabrook Island to Deveaux Bank. The entire trip is 8 miles and restricted to kayaks longer than 10 feet because of the passage through open water.

Paddle Chessie Creek, Ashepo River and Horeshoe Creek

Saturday, Sept. 11 | 8:30am
Difficulty level: Moderate

We will put in at Chessie Landing, paddle down to the confluence of the Ashepoo and then back up to Price's Bridge Landing. This is a nice combination of black water swamp and rice dike environment in the heart of the ACE Basin!

Notes for all outings:

- Limit to 10 person (each trip)
- Everyone is required to have a PFD (life vest)
- These are NOT float trips.
- Participants are advised in advance that the Club will not assume responsibility for carpools. Leaders must not assign which cars participants ride in. They must limit their involvement in carpool arrangements to making participants aware of who needs, and who is offering, rides.
