

Your Car's Finest Hour

Did you know you can support the Santa Lucia Chapter of the Sierra Club by donating your used car, boat, or RV, whether it runs or not?

The Sierra Club Foundation has partnered with CARS (Charitable Adult Rides and Services) on a vehicle donation program that will help us advocate for clean air, water, and land. And, unique to Sierra Club, cars from 1992 or earlier (excluding classic cars) are automatically sold for recycling rather than returned to the highways.

It could be the easiest thing you do all day. Here's how it works:

1. **Call 844-6-SIERRA (844-674-3772) or Complete the [Online Donation Form](#).** The CARS Vehicle Donation Support team is available seven days a week and will be happy to answer your questions. Be sure to tell them to credit the donation to the Santa Lucia Chapter.
2. **Schedule Your Free Pick-up:** CARS will arrange to have a licensed tow company pick up your vehicle at a time convenient for you. The vehicle will be sold for reuse or recycling – all at no cost to you.
3. **You Could Qualify for a Tax Deduction!** Vehicle donations are tax-deductible. You will be mailed a thank-you letter within 30 days of the sale of the vehicle, which also serves as a donation tax receipt.
