# CCCE's Pathway to 100% Clean and Renewable by 2030

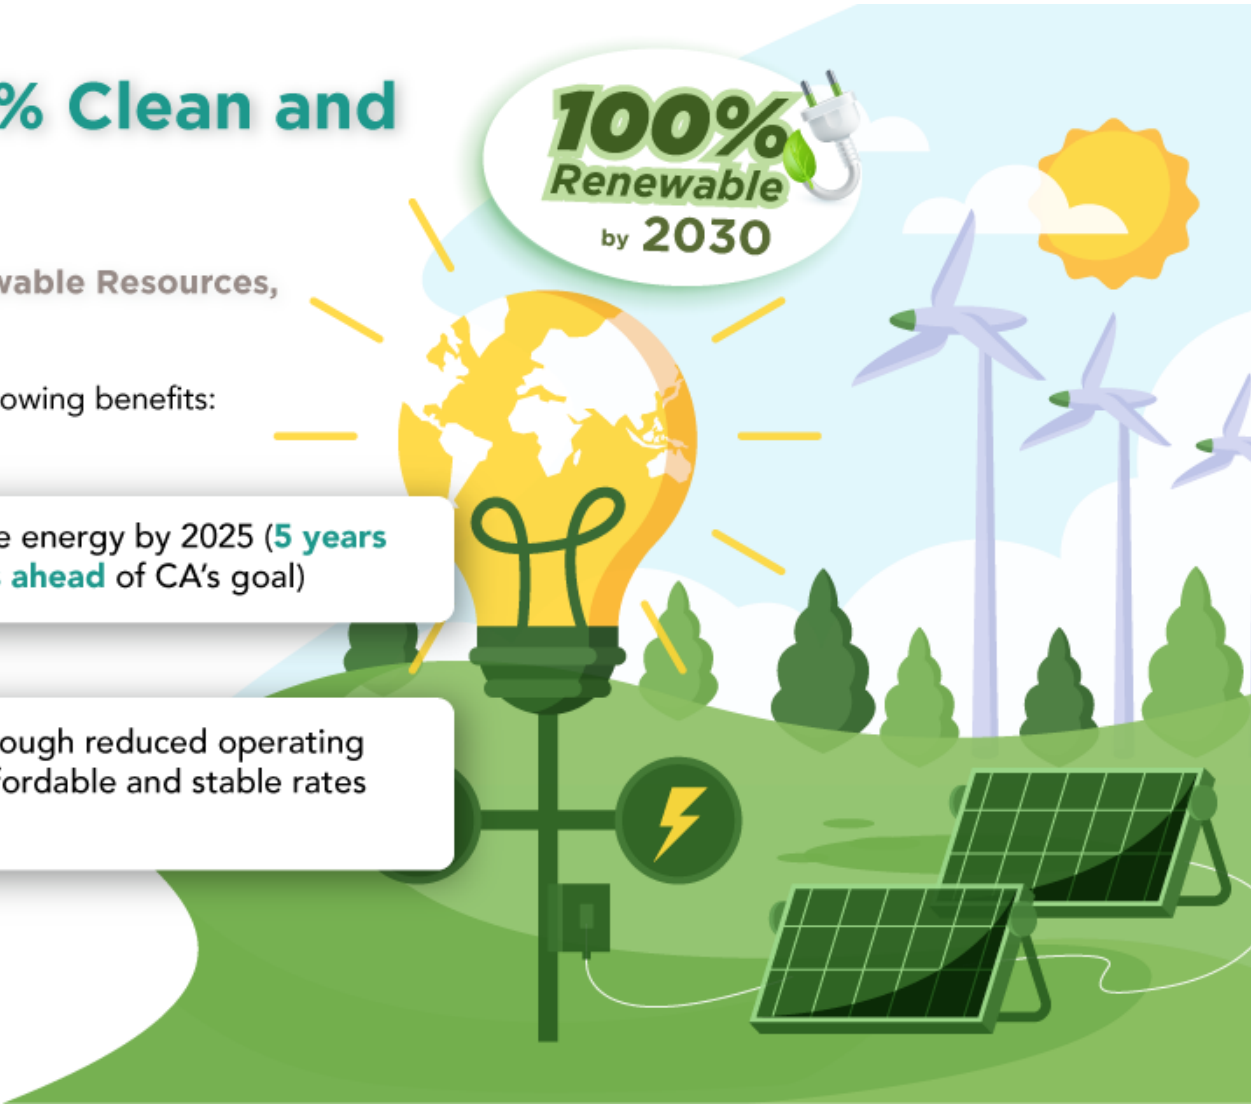

Supporting Affordable Rates, Increasing Renewable Resources, and Accelerating Greenhouse Gas Reduction

CCCE's new energy-supply strategy will provide the following benefits:

CCCE's goal is to reach 60% clean and renewable energy by 2025 (**5 years ahead** of CA's goal) and 100% by 2030 (**15 years ahead** of CA's goal)

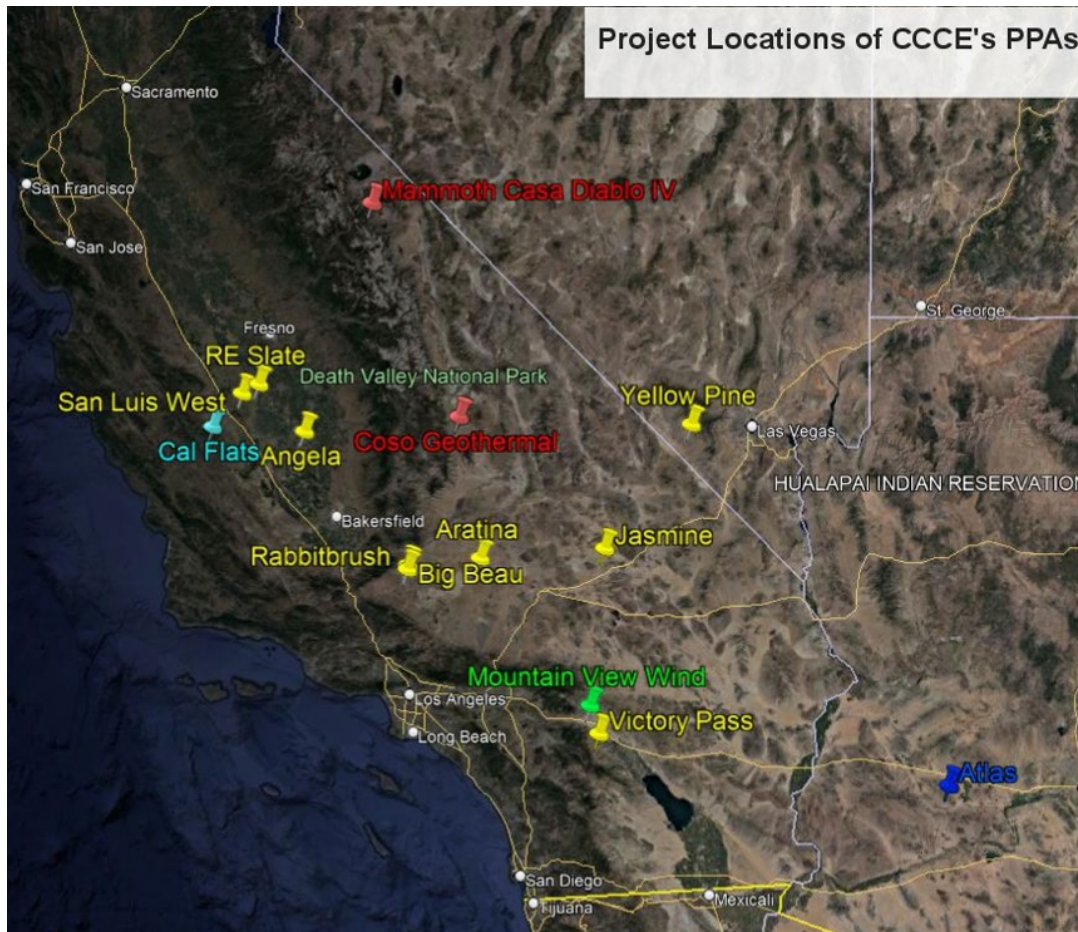

Financially beneficial to customers and CCCE through reduced operating costs of **\$8-15 million/year** allowing for more affordable and stable rates while supporting economic development

**100% Renewable**  
by 2030

# Customer Resource Updates

# Understanding Your Time-of-Use Rate Options

**Lower pricing**

for 19 hours each day

**Higher pricing**

for 5 hours each day

1. Residential customers may choose to take no action and their rate plan will transition to the TOU rate in October 2021.
2. Customers may decline the transition to a TOU rate by calling PG&E at 1-866-743-7945 or by visiting [pge.com](http://pge.com)
3. Customers may choose an alternative rate plan.
