One addendum, if the meeting is on April 6th then we will also have Former Congresswoman Mary Bono, Faegre Baker Daniels with us as well. I believe the Secretary knows her.

Hello, just following up on my request from Monday. The Energy Fuels people will be here next week from Utah. Is there any chance they can get a meeting with the Secretary on April 4th, 5th, or 6th? Do you have a specific form which needs to be filled out? Thank you.

Hi Andrew, not a problem. I am cc'ing our scheduling team above, they will be the best people to coordinate with on all meeting requests for the Secretary.

Please let me know if you need anything else.

Regards,
Amanda

Amanda, I hope you don't mind, Chris Miller gave me your contact info. By way of introduction, I'm a Principal at Faegre Baker Daniels here in DC. I worked on energy and environmental policy for Mr. Trump during the campaign. I have a client that I would like to get before the Secretary, Energy Fuels. They have two uranium facilities bordering each side of Bears Ears national monument in Utah. They can come to DC at any time. What is the best way for me to request a meeting with the Secretary? I'm just not sure who I should reach out to. Does he have a scheduler yet? Thank you.
