Be A Superhero

Become the person who makes the world a better place. Be kind to each other. Protect the environment. Make or influence policy decisions based on justice and the common good.

Develop problem solving skills:
1. Clearly identify the problem(s).
2. Understand everyone’s needs.
4. Evaluate the options honestly. List pros & cons.
5. Select an option or options and document decisions.
6. Agree on criteria to evaluate the implementation. Include “what if” scenarios.
