CLEAN ENERGY FOR ALL SUMMIT

Imagine yourself as part of a dynamic team making real progress on clean energy and stabilizing our climate. On Saturday, September 29th we kick off two key initiatives during our Clean Energy Summit:

- A Pay As You Save (PAYS) energy efficiency program, plus
- A campaign to get more cities, campuses and other large energy users (such as MARTA) to commit to 100% renewables while supporting the City of Atlanta's bold commitment to do the same.

On the morning of our Summit, we will learn about these programs, where they are working, how, and why. After lunch, we'll roll up our sleeves and plan how, together, we will make them work here in Georgia. We will leave the Summit with a committed group of activists ready to work their shared plan for success. Please join us.

Location: Oakhurst Baptist Church 222 East Lake Drive (across the street from the East Lake MARTA Station - MARTA or biking encouraged)
