Hello Sierra Club Members/Voters

This year’s issue of our Election Insights differs from earlier issues because we are adapting to two significant changes:

1.) Due to the movement of most municipal elections to even numbered years — there were no 2019 municipal elections in Santa Clara or San Benito Counties and there were only three city elections out of twenty cities in San Mateo County, one of which was uncontested. Our congratulations go to Sierra Club endorsed city council candidates Emily Beach of Burlingame and Marty Medina of San Bruno for their reelection victories on November 5, 2019.

— Loma Prieta Chapter Political Committee

Letter From The Loma Prieta Chapter

Dear Friends,

I am pleased to present the Loma Prieta Chapter’s 2019 Election Insight Newsletter. It represents hours of volunteer work and planning by our political committee and regional group members.

You are an integral part of our election process. Please show your appreciation for our volunteer leaders by casting your vote, even in uncontested elections. The leaders that you select will help guide our Chapter as we continue to protect our environment and local communities.

Whenever you enjoy local open space, there’s a good chance that members of your Loma Prieta Chapter have been involved in saving that place. For more than 85 years our leaders, volunteers, and donors have worked relentlessly to protect our local environment and to help others explore, enjoy and protect it.

You may ask who they are. They are people just like you. Members of our community range from brilliant young professionals who create environmental marketing strategies to determined retirees who protest at agency planning meetings.

All of their voices make our “one voice” powerful!

Thank you for your continued support and for making 2019 our greatest year yet.

Happy trails,
James Eggers, Director
Sierra Club, Loma Prieta Chapter

Thank you to our Political Endorsement Volunteers

The newsletter lets our members and the public know who the Sierra Club considers a strong environmental leader. We would like to thank our members of our Political Committee, Endorsement interview volunteers and our Endorsement article writers: Nabeel Al-Shamma, Kat Baumgartner, Sue Chow, John Cordes, Gina Dev, Gladwyn d’Souza, Mike Ferreira, Melissa Hippard, Ken King, Gary Latshaw, Dashiell Leeds, Dave Olson, Dave Poeschel, Marianna Raymond, Lennie Roberts, Charles Schafer and Kristel Wickham.

A special thank you to Mike Ferreira and Barbara Kelsey for leading production of the Election Insight newsletter.

Check that Box

Each Loma Prieta Chapter member is entitled to vote once in this election. Two selection columns have been included so that both people in a dual membership can vote (see below, to discover whether you have dual membership). If you fail to receive your ballot, contact the Chapter office (650-390-8411) for an extra. Photocopies or other reproductions will not be accepted.

A. Vote for Chapter and regional group candidates. Instructions below tell how to determine your group.

B. Decide whether to use the Voter 1 column or the Voter 2 column. Mark your ballot by placing an “X” in the box opposite candidate names in that column. Ballots marked in both columns by other than two members in a joint membership will not be counted. Print write-in names legibly. Sign validation tab on the line provided (tab will be removed prior to counting).

C. Cut along dashed line and remove the complete ballot from paper. The mailing label on the back must be left in place for validation. In lieu of a label, print clearly on the back your name, member number, and expiration date (exactly as they appear on your membership card) and your mailing address.

D. Place ballot in an envelope and mail to:
   Chapter/Group Elections Sierra Club
   3921 E. Bayshore Rd., Ste 204
   Palo Alto, CA 94303

E. Ballots must be sent in the mail and received by December 31st, 2019. Late ballots will not be counted.

Dual Membership and Group Affiliation:

A typical Election Insights mailing label looks like this:

1205436 JOINT 203
JAN AND LESLIE MEMBER
1213 MURR DRIVE
BAYLANDS, CA 94308

To discover whether you have a dual or joint membership, look at the second row on your mailing label. If the second group of characters is “JOINT,” both members can vote. If not, only one person can vote; in that case, ballots marked in both columns will not be counted. Our example shows “JOINT,” so both Jan and Leslie can vote.

To discover your regional group affiliation, look at the second line on your mailing label. The three-digit number beginning with “20” is your regional group code.

203 = San Carlos/Belmont and Chapter Executive Committee
204 = Peninsula and Chapter Executive Committee
205 = Guadalupe and Chapter Executive Committee

* Incumbents

Ballots must be received by December 31, 2019. Late ballots will not be counted.
SAN JOSE CITY COUNCIL DISTRICT 2

Sergio Jimenez - San Jose City Council District 2
by Chapter Political Committee

San Jose Council Member Sergio Jimenez has been a reliable “go-to” contact and supporter regarding important Sierra Club Loma Prieta Chapter environmental issues from his election day to the current day. Perhaps most importantly he has been very supportive of the Chapter’s goals regarding the preservation of Coyote Valley as an environmental opportunity in the southeastern portion of San Jose, in which we are now experiencing success that we might not have had without his principled support. Also greatly appreciated is his support of our position against Measure B – the opportunistic attempt to undermine San Jose’s planning. We very much appreciate his environmental instincts as new issues arise and we value his frequent outreach to us as well as his receptiveness to our requests for discussions. Please give your environmental vote to a council member who has truly earned it – San Jose City Council Member Sergio Jimenez. www.facebook.com/sergio4S2/

SAN JOSE CITY COUNCIL DISTRICT 8

Sylvia Arenas – San Jose City Council District 8
by Chapter Political Committee

In addition to her consistent support for a major Coyote Valley environmental priority – the preservation of Coyote Valley – Council Member Sylvia Arenas was a strong ally of the many environmental organizations inclusive of the Sierra Club who were very engaged during the major 2018 political battle against ballot Measure B – an egregious and duplicitous overreach by wealthy developers that would have transformed the development landscape in San Jose neighborhoods. She arranged large meetings in her district to which environmental activists were invited in order to exchange information and plan with neighborhood and civic groups. She was an excellent organizer/moderator of the meetings. Her district voted strongly against the Measure – which was defeated.

The Loma Prieta Chapter considers her to be an ongoing ally as new issues arise before the Council. We support and encourage her reelection.

SAN MATEO COUNTY SUPERVISOR DISTRICT 4

Warren Slocum – San Mateo County Supervisor District 4
by Chapter Political Committee

Prior to being elected to the San Mateo County Board of Supervisors, Warren Slocum was San Mateo County’s Assessor-Recorder and was one of the highest regarded Government Officials in the state of California. As a supervisor he has been supportive of progressive climate change initiatives regarding Sea Level Rise and Community Choice Aggregation. He has also been a staunch supporter of stronger protections for heritage oaks, redwoods, and other native species as well as environmental justice issues in his District that includes North Fair Oaks and East Palo Alto. He has also worked hard to address problems such as illegal dumping, homeless encampments, housing, sex trafficking and veteran’s issues. We recommend Warren Slocum’s reelection to the San Mateo County Supervisor District 4 on the basis of his solid environmental justice and natural resource protection record. https://slocum2020.com/

SAN MATEO COUNTY SUPERVISOR DISTRICT 1

Dave Pine – San Mateo County Supervisor District 1
by Chapter Political Committee

Dave Pine has an extensive history of engagement with the Sierra Club and other environmental organizations. Based on this history of engagement we have come to admire his ability to focus on long-term environmental issues that may not have immediate cur- rency with the press or the public but are vitally important for our communities’ futures. As a San Mateo County Supervisor he has been exemplary on the issue of creating awareness of the perils of sea level rise and pushing governmental measures to forestall the impacts of same to his county and to the Bay Area at large. He led the successful effort to create the new San Mateo County Flood and Sea Level Rise Resilience District that will implement re- silient measures on a countywide basis. He was an invaluable ally and advocate for the estab- lishment of a countywide Community Choice Aggregation/Clean Energy agency named Peninsula Clean Energy that is now the primary provider of green energy choices across San Mateo County. It is with environmentally based certainty of purpose that we endorse Dave Pine for reelection to San Mateo County Supervisor District 1.

STATE ASSEMBLY DISTRICT 25

Anne Kepner – State Assembly District 25
by Chapter Political Committee

Assembly District 25 candidate Anne Kepner is a consum- mately personal injury attorney whose husband is a technology executive and whose children have reached an age that allows her to seek an expanded public service role.

As one of seven candidates for this office she submitted very good responses to our environmentally themed questionnaire and interviewed quite well with our two chapter en- dorsement team (Assembly District 25 overlaps both the San Francisco Bay Chapter and the Loma Prieta Chapter of the Sierra Club). She currently serves as President of the West Valley-Mission Community College Board thereby providing considerable insight to the education related issues in our legis- lature and has dedicated her professional career to fighting for justice as an attorney whose clients represent people who otherwise would not have a voice in our system, from cases involving pesticide and toxic exposure to wrongful deaths, catastrophic injuries, and elder abuse. It is our belief that her election to the California Assembly would provide a solid ally for the Sierra Club on the many environmental and environmental justice issues that are in constant discussion in the legislature.

We confidently endorse Anne Kepner for Assembly District 25.

SANTA CLARA COUNTY BOARD OF SUPERVISORS DISTRICT 5

Sally Lieber – Santa Clara County Board of Supervisors District 5
by Chapter Political Committee

Of the five serious candidates for State Senate District 11 – the seat from which Senator Jerry Hill is retiring due to term limits – the Sierra Club has selected two candidates for endorsement. Coming from different background but with very strong environmental passions the candidates both offer promising legislative futures.

As future champions for the struggle against climate change, for protection of California’s threatened natural resources, for addressing the housing crisis without diminishing democracy, and for continued pursuit of the California dream of equity and dignity we offer our members the choice between two excellent can- didates – Josh Becker and Sally Lieber.

Both impressed our endorsement team with the depth of their commitment to all of the ideals that the Sierra Club holds dear. We leave it to you – our members – to decide between these two good candidates on the basis of your environmental priorities. Their websites are shown below:

Josh: https://joshbecker2020.com/meet-josh/
Sally: https://voteSally.org/
What will be your... environmental legacy?

Name your local Sierra Club Loma Prieta Chapter as a beneficiary in your will, living trust or other estate plans and create a lasting legacy that provides for a sustainable and healthy future.
