11/19/19 - T -  CAG Meeting
11/20/19 - W - 4 to 5 pm - Ellis Hall, Hendrix, Conway - Clean Air & Energy: A Turning Point - Our state and nation’s energy production is changing rapidly. Arkansas Sierra Club Director Glen Hooks gives an overview of how and why these changes are happening and discusses what it means for our future as we embrace solar and wind energy. His thesis: these changes are important and valuable enough that they will transcend partisan politics and radically transform our nation. For more info, click HERE.
11/20/19 - W - 6 pm - EIT Auditorium at UALR - “The Clean Energy Revolution: It’s All Happening” - Think solar energy and wind power are just pipe dreams for hippies and liberals? Think again. Glen Hooks, Director of the Arkansas Sierra Club, details how the United States–Arkansas included–is swiftly moving away from dirty fossil fuels and toward clean energy. Why is this happening across the country? The varied reasons may surprise you! The EARTHtalk! Lecture Series is sponsored by the Department of Earth Sciences at UA Little Rock. These lectures aim to promote scientific thinking and discovery about Earth-related topics. Lectures are always free and open to the public. For more info, click HERE.
11/21/19 – Th - 6 pm – **Fayetteville - Arkansas Energy Future Forum**, sponsored by Arkansas Audubon, to engage Northwest Arkansas in a dialogue about our state’s climate future and raise awareness, in particular, of the current fight over renewable energy policy - at the Fayetteville Public Library, 401 W Mountain Street. Admission is free and open to the public. Panelists include Dr. Dan Scheiman, State Rep. Denise Firmin Garner, and Terry Tremwell. For more info, [click HERE](#).
