Dear Sierra Club Supporter,

I want to offer you a personal thank you for all you do to support the Arkansas Sierra Club, - even through the toughest of times. You are the backbone for a growing network of grassroots do-gooders working together to make life better in the Natural State.

Collectively, we're defending our public lands and wildlife, protecting our shared air and water, and empowering local residents to fight back against pollution and destructive development.

None of this would be possible without you. You are helping ensure that everyone has fresh air to breathe, clean water to drink, and wild places to visit. You are protecting the planet and the people we love.

Let's take a closer look at what we are doing right now, together:

- **Standing up to those who want to increase your power bill** and keep burning fossil fuels,
- **Speaking up for more clean energy** in cities and towns across the state,
- **Showing up at the Arkansas state legislature** to protect your right to affordable solar energy,
- **Building up strong communities** while fighting for environmental justice, and
- **Lawyering up** and bringing suits to stop dangerous air and water pollution.

We can't do any of this without you. Please support our work with a gift of $30, $60, $100 or more. 100% of your giving goes directly to our work here in Arkansas.

The work we do together now will shape Arkansas's future and the health of our planet for decades to come. From all of us here at the Arkansas Sierra Club, thank you for entrusting us with your dreams for a better world.

PS: 100% of your gift to the Arkansas Chapter stays here to improve life for local communities. Thank you for helping us protect the Natural State's lands, waters, people and climate.

---

Thank you for investing in the Sierra Club's Arkansas Chapter. Remember that 100% of your gift stays here to support our local campaigns.
