Outings Chair and Leaders Needed

Do you love the outdoors? Being an outings leader is a great way to contribute to the Delaware Chapter, while having fun getting outdoors, exercising and meeting people with similar interests in your area.

Outings can be hiking, biking, kayaking, canoeing, walking, rock climbing or other activities that get people outdoors. This is your opportunity to be creative!

The length and intensity of the outing is completely up to you, and we hope to offer a diverse array of opportunities for people with all different interests and levels of stamina.

We’re looking for both a chair to organize and schedule outings as well as outings leaders. The outings chair may also lead outings but doesn’t necessarily have to. To become a certified outings leader all you need to do is complete an easy training and be basic first aid certified. To get more info and express your interest in getting involved contact our Chapter Director, Sherri Evans-Stanton at sherri.evans-stanton@sierraclub.org.

If you are interested in joining this dedicated team for a two-year term beginning in 2019, please contact Don Brill at donjbrill@gmail.com.
