

National Sierra Club Elections are Underway

A Democratic Sierra Club Demands Grassroots Participation

The annual election for Sierra Club's Board of Directors is now underway.

Those eligible to vote in the national Sierra Club election will receive in the mail (or by Internet if you chose the electronic delivery option) your national Sierra Club ballot in early March. This will include information on the candidates and where you can find additional information on Sierra Club's website.

Your participation is critical for a Strong Sierra Club.

The Sierra Club is a democratically structured organization at all levels. Sierra Club requires the regular flow of views on policy and priorities from its grassroots membership in order to function well. Yearly participation in elections at all Sierra Club levels is a major membership obligation.

In a typical year, less than 10% of eligible members vote in the Board elections. A minimum of 5% is required for the elections to be valid. Our grassroots structure is strengthened when our participation is high. That means *your* participation is needed in the voting process.

How can I learn about the candidates?

Members frequently state that they don't know the candidates and find it difficult to vote without learning more. Each candidate provides a statement about themselves and their views on the issues on the official election ballot. You can learn more by asking questions of your group and chapter leadership and other experienced members you know. You can also visit the Sierra Club's election website for additional information about candidates:
